## Tennis Events

Wickwoods hosts a number of Tennis Tournaments throughout the year. Generally open to both members and members' guests, these events are a great way to enjoy tennis and the social side of the club.

Full details for the Spring and Summer Season can be found overleaf.

It is best to register early as there is a limited number of places. Registration closes two weeks prior to the date of each event. Please register at reception.

Some tournaments are subject to a player fee and this must be paid for at point of registration.

There are always prizes for winners and runners-up as well as for the best dressed player.

The club's bar and bistro normally offer an appropriately themed and keenly priced "special" on the day of each event. Otherwise our delicious standard menu is always available.
