

Tennis Court Guidelines

Members can book strictly controlled, socially distanced tennis slots

(Do not book or attend if you have had cold or flu symptoms in the last 14 days)

Booking a slot and what to bring:

1. Book tennis courts as normal through the booking system, with a max of 6 days in advance
2. If not from the same household, please do not share transport
3. Bring your own filled water bottle. You can top-up from the tennis lodge
4. You can purchase tennis balls at reception for £7.50 with card only
5. Use your own equipment where possible. Equipment such as rackets can be shared, but where this happens ensure thorough sanitisation before and after use

On the premises and on court:

6. Members are to arrive 5 mins before booking time and must register at main reception
7. Avoid touching your face on the premises and sanitise hands on entry and exit of Wickwoods
8. Do not stand closer than 2 metres to any person not in your household
9. If you see other people, other than saying hello at a distance, do not approach them or congregate
10. The changing rooms are closed. Upon arrival reception will inform you of the toilets you can use
11. If you choose to use shared balls then extra care must be taken to ensure you do not touch your face during play, and you should clean your hands before play and immediately after finishing
12. Avoid touching the net and court equipment. If you do, ensure you sanitise after
13. When playing on clay courts, if you wish to drag courts you can. There are sanitisation points on both courts as well as spray and wipes. We recommend sanitising hands before and after dragging. If you wish to leave dragging courts you can. Our maintenance team will drag when possible.
14. The indoor court doors are to always remain open. Please do not close them

Leaving court and exiting the premises:

15. You must leave the courts 5 mins prior to the end of the allocated slot. Please do not congregate. Take all balls with you and exit the premises without delay (unless you have another booking or are staying for refreshments)

Safety and injury:

16. If you have an accident, report to reception where a member of staff with protective equipment will assist you or call an ambulance
17. Upon hearing a fire alarm, please report the front car park and await instructions

In the interest of all members and staff safety: Regrettably, those who do not respect the guidelines will be asked to leave and have their booking rights removed
